Address _____

Postcode, town _____

E-Mail (optional) _____

1. Retirement benefits

The retirement benefit is paid out in the form of a pension and/or a lump sum. If a lump sum is paid out, the pension and the co-insured benefits (spouse's pension, child and orphan's pensions) are reduced on a pro rata basis. You can use the retirement savings available at the time of retirement to finance the following benefits:

- Annual bridging pension up to AHV age (max. CHF 28'680) _____
- Lump-sum payment to the value of _____
- Retirement pension (from remaining capital)
- 100 % lump-sum payment (no pension and no survivors' benefits)

ATTENTION

If you have made voluntary extra contributions within three years before retirement and should you wish to opt for a lump sum payment, it is advisable, to ask your tax authority to provide you with **a written and binding confirmation concerning the tax deductibility** of your previous voluntary extra contributions and to enquire about the **consequences of any subsequent lump sum payments**.

2. Child pensions

For children, a child pension will be paid out up to the age of 20. Children who are still in education or are of diminished capacity/unfit for work are entitled to this pension up to the age of 25. The pension fund must be notified immediately if the education is terminated or interrupted early. Wrongfully received child pensions must be repaid to the Pension Fund. For each child (older than 20), a certificate confirming the studies or apprenticeship contract must be sent to us for perusal.
